

## Antioch University Seattle Library

### To access RefWorks for the first time:

1. From the Browser go to [www.refworks.com/refworks](http://www.refworks.com/refworks).
2. Choose the Remote Access tab, enter the AUS Library 's Group Code:  
**\*\*Contact the AUS Library for the Group code.**
3. From the Login window, click the **Sign up for an Individual Account** link.
4. Complete the **New User Information** box.
5. Click **Register**.

You will receive an email confirmation.

### To log in to RefWorks:

1. Access [www.refworks.com/refworks](http://www.refworks.com/refworks).
2. Enter your **Login Name** and **Password**.
3. From off-campus, you will also be asked to enter the Group Code (see above).

There is a RefWorks tutorial available within the program itself (just click on the "Tutorial" link at the top of the RefWorks interface) or you can go to <http://www.refworks.com/demo.shtml> directly.

### If you have further questions please contact:
